

Life Time Warranty
Calico Forge Knives

The Calico Forge Knife is warranted against any material and construction defects. The Calico Forge Knife is guaranteed for quality, durability and edge holding retention for as long as you own the knife. This warranty does **not** cover or include the sheath that the Calico Forge knife is provided with. This warranty does not include or cover against abuse, neglect, modifications and alterations of the knife's original conditions.

Note: Please fill out and send in this warranty within 30 days of your purchase to our office with your full name address and contact information for warranty service and records.
